- and liberal Statesmen and has for many murderers of George Hains, the civil engiyears been intimately acquainted and closely associated with that "Grand Old Mau," the greatest of English Statesmen." To last. Samuel Miller, Charles Bowman, Irene Fenster by associated with that "Grand Old Man," highway near St. Clair on Monday morning -Schnecksville, Lehigh county, is to have
  - WINGS AND STINGS. This is the airy, slinging title of another sprightly amosing book by Paimer Cox. It is me of the queen epoch, acres, and similar its companion "Paws and Claws," of which would you recently. This is one of the funnies and brighest books for youngsters we have eve seen. The illustrations are spicialid and will

THE WEST SHORE This magazine makes a speciality of giving just such information alout the great Pacific Northwest as those who are interested in that region desire to have. It is neither an inmigration paintained have it is neither an inmigration paintained have it is neither an inmigration paintained have a subsidired railroad politication, but a genuine magazine, now in its filteenth year. It devotes its attention especially to Oregon, Washington, Idaho, Montana, British Columbia and Alaska.

It gives reliable descriptions and becautiful ongravings of the names, agricultrial districts, shock interests, fishing industries, and the cities, towns, resources of liai region, as well as the famous scenery. In fact it is the only publication giving the class of information sought for by enagrants and tourists to the Pacific Northwest.
